RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH
SPECIFICATION AND SUBMISSION OF CORRECTED FIGURE

U.S. Patent and Trademark Office
2011 South Clark Place
Customer Window
Crystal Plaza Two, Lobby, Room 1B03
Arlington, Virginia 22202

Sir:

In response to the notice of drawing inconsistency mailed September 27, applicants respond that the notice is incorrect, i.e., Figure 18 is contained in the drawings.

This case was filed under 371. The original PCT case presented 25 sheets of drawings. The PTO acknowledged receipt of a courtesy copy including "25 sheets of drawings" (copy of postcard receipt enclosed as Exhibit A), and of course all of the drawings should have been transmitted to the DO/US by the International Bureau.

Fig. 17 is sheet 17/25. Fig. 19 is sheet 19/25. It follows that Fig. 18 is sheet 18/25 (copy enclosed as Exhibit B).

This figure, as filed, does not comply with U.S. practice as it does not bear the inscription "Fig. 18". In the interest of expediting prosecution, we request that Fig. 18 be corrected by entering the enclosed substitute figure. The header is

USSN - 09/787,443

labeled "Replacement Sheet". The only change in the figure is that "Fig. 18" has been added.

Respectfully submitted,
